 MESSAGE FROM THE MINISTRY

Our hearts are overjoyed watching God at work here at Furever Serving. So many new and returning smiling faces that God is blessing through these animals, that we call family! These past few months we watched faces light up, kids' laughter, growth in riding skills, parents relaxing while they enjoy their kids having fun, and the good news of God's word spreading.

We were grateful to be able to help Promise Ranch Ministry in McAlisterville during their time of need and getting to see all God is doing there. Thank you, Jesus, for changing our hearts and we are grateful for God's grace!

 PSALM 59:16

But as for me, I will sing about your power. Each morning I will sing with joy about your unfailing love. For you have been my refuge, a place of safety when I am in distress.

RIGHT FROM THE HORSES MOUTH

TESTIMONY FROM ONE OF OUR FIRST PARTICIPANTS AND ONE OF OUR VOLUNTEERS

RACHEL MILLER - PARTICIPANT

Finding Furever Serving helped bring me Joy by interacting with the animals and Vic, which also lead me to Logan's Heroes where I adopted my 3 dogs. I learned how animals are a blessing from God and what they can do for others. It is so cool to see how animals connect so many people together and build relationships. Doesn't matter what type of animal, you can see God's creation and purpose.

Finding my perfect dog brought me so much happiness that I needed in my life, and they help us learn and grow. Sharing my experience helped others find Furever Serving to connect with, enjoy their love for horses, and build relationships.

Coming home from college break and getting to help serve at one of Furever Serving's events, I got to see, since my last time there to now, all that God is providing and doing in this ministry. Since I was one of Furever Serving's first participants, when Vic shared her vision with me, this ministry has really grown!

I'm getting my degree in teaching and I can truly see God's purpose in this ministry to serve others through the patience, kindness, love, and the heart everyone puts into those who come.

Coming to Furever Serving feels like home and you're treated like family!!

ALYSSA SABO - VOLUNTEER

I discovered Furever Serving last year at the Quakertown Community Days. The owner, Vic, had described it as a place where anybody who wanted to spend time with the horses could. I immediately was drawn to this idea. Struggling with my mental health at the time, I decided to give it a try and go help out. Spending time serving at the farm has helped me grow closer to God, taking my mind off of the everyday worries and just drawing closer to these majestic creatures. Working with the children at the Easter celebration was a highlight of my experience. Seeing the Joy on the children's faces as they rode the horses and hunted for eggs was priceless.

I highly recommend taking some time to volunteer at Furever Serving with Vic and the crew. They are so thoughtful, caring, and welcoming. It has truly been a life-changing experience!

11 For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future.

- Jeremiah 29:11

TRACKING TIMES

We had some fun times at our last events that included – Easter, Open House, Two Mini-Camps, Car Wash, and Community Day in Quakertown. We got to meet new future family participants, spoke about Jesus, and brought awareness to Furever Serving for those who have a need we can fill. We hope that everyone continues to share their experience at Furever Serving with others. Some pictures below, highlighting God's work at hand.

NEWS "FLASH"

Furever Serving has received a few generous donations towards fencing for an additional area to put Sulley & Silver in as well as for our future barn – Thank You! We also thank those who continue to support us monthly, the donations from our participating families, those who have come to our events, and those businesses and individuals who have generously donated food and supplies to help make our events a success! We are humbled by your acts of kindness, generosity, and love!

Our hope is to start excavating, preparing the barn foundation, and drainage at the beginning of 2024 and barn to follow shortly after! This barn will give participants the opportunity to safely retrieve their horses, feed and care for them, and a cool place they can go while participants are riding.

Please continue to pray for God's will over this ministry and those who come to receive Jesus in their hearts!
